

HOW TO USE ...

STARDUST + DUO TAPE

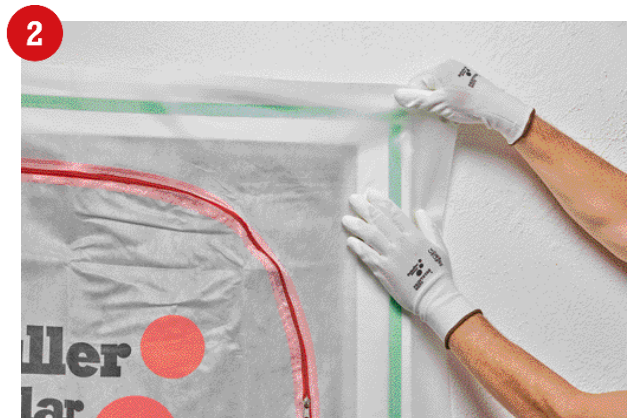

42120 (fleece), 42121 (PE), 45515, 45517

1

Cutting

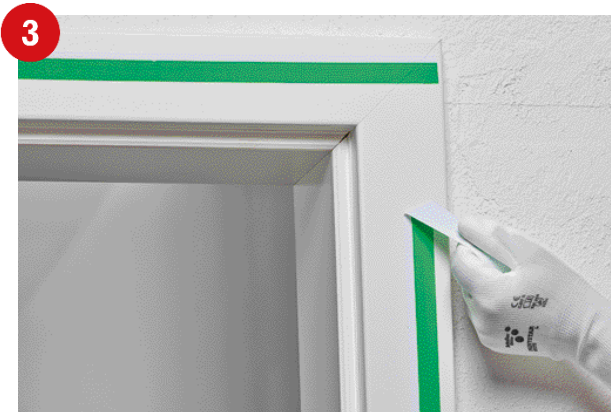

Cut the DUO TAPE FINGERLIFT into the right length and fix it to the doorframe.

2

Attaching

Attach the STARDUST dust protection door to the double-sided adhesive tape and smooth it out.

3

Removal

After the work is finished, DUO TAPE can be removed from the doorframe without leaving any residues.

STARDUST is available in fleece and PE. Clean and simple! Eh'klar!
